Course outcome

Biochemistry Add on course Advanced Cell biology

In the academic year 2020-21, the Department of Biochemistry conducted a Certificate course on "Advanced Cell biology " for the life science students. The aim of the course is to give basic knowledge about the structure of cell membrane, import and export of protein, cancer biology and to familiarize the students with the techniques related to cell biology.

The course coordinator is Ms. Rakhi R. C, Assistant Professor, Biochemistry. Duration of the course is 28hrs and was handled by Mrs. Sruthi T V through Google meet. About 11 students attended the course and cleared the exam. Evaluation was done based on written exam conducted for 2hrs for 60 marks and paper presentation for 20 marks through online mode.

Outcome of course was students had an in-depth knowledge about molecular and cellular mechanisms. It enabled the students to get sufficient knowledge in principles and applications of cell methodology which was useful while undergoing their M.Sc. Project work.

Department Of Computer Science

Addon Course Outcome

The Department of Computer Science started the Bachelor of Computer Application (BCA) Course in the year 2014. The department has many years of service to the student community. As one of the activities of this year, the Department started offering add-on courses to the students. The first add-on course of the Department, "Bootstrap 4 Responsive Design", was inaugurated on 07 December 2020.

The course is designed for students of the third semester BCA students in online mode. All students of the Semester 5 BCA class have registered for the add-on course. This course is also beneficial for them while doing the Academic Project as part of their 6th semester BCA. 21 students participated in the course and Mr. Sumesh K, Assistant Professor, Dept. Of Computer Science, Mangattuparamba, Kannur University handled the class. The course is designed for making responsive websites, use Bootstrap to construct modern website, advanced web development, ability to create visually appealing website and make cross-platform websites.

All students successfully completed the course and secured high marks in the examination conducted for the course. The certificates issued for all students.

This course definitely helped them to do their project as part of their BCA course and also will helpful for their future study. The Department is planning to organize more such courses in the future.

Department of Chemistry

ADD ON COURSE 2020-21

Department of Chemistry, Gurudev Arts and Science College, Mathil, conducted an add on course on the topic 'Basic Principles and Applications of Organic Chemistry in Chemdraw' during the academic year 2020-21. It was a six month duration course comprises of both theory and practical classes. Totally we are conducted 30 classes during the course. Mr. Rasin P.V., Research scholar, Department of Chemistry, NIT Trichy handled the classes. Ms. Anju Sunny, Assistant Professor, Department of Chemistry, Gurudev Arts and Science College, Mathil was the coordinator of the programme. 53 students including final year degree and first year PG students of Chemistry Department participated in the course.

Active participation of students leads to the successful completion of the course. All the students submitted an assignment (credited 10 marks) and appeared a written final examination (60 marks). In addition, a practical examination for 30 marks also carried out the final exam held on 25/05/2021 in which all the 53 students appeared. The 100% pass percentage of students resulted into successful course completion.

This course familiarized the students on aspects of chemdraw software and helped them to draw molecular structure and finding stereochemistry. Also, this course helped the students to study the basics of organic chemistry.

Public Administration

Year 2020-21

Management and Commerce Department, Gurudev College of Arts and Science. Department of Management and Commerce conducted an add on course for the academic year 2020-21 on Public Administration. It was formulated to understand the basic concept on how the public administration functions together with its chances and importance of public services. Class sessions were spread over 34 hours of training through online mode – google meet. Under the guidance of the Course In charge Mr. Jinith. K, Assistant Professor a total of six teaching staffs managed this add on course. They are Mr. Clint K Benny, Mr. Jobin Thomas, Ms. Sumi Thomas, Ms. Nitya N, Ms. Vineetha C, Ms. Vyshnavi KP. Total number of participants are summed up to 35 students. Evaluation process was through written exam for 100 marks conducted during May 2021. 35 students have passed the exam and their certificates were duly issued. The course outcome can be clearly visible as it complied to the course objective which was to familiarize the students on aspects of public administrative services and to help them to build a career in civil service. This course also enabled students to study the basic competitive examinations. We hereby attach student feedback received from three students.

DEPARTMENT OF PSYCHOLOGY

ADD ON COURSE

BASICS OF UGC NET PSYCHOLOGY

Department of Psychology organized an Add on course on Basics of UGC NET Psychology for Second year batch students in the academic year of 2021-2022. Course duration was 4 months and total number of hours was 40. Mode of class was online and resource person was Sofiya Thomas (Assistant professor, Department of Psychology, Gurudev Arts and Science College).

Basics of UGC – NET Psychology course was an introductory course provides better understanding about UGC-NET Paper 2 – Psychology Syllabus. This course introduced the theoretical aspects of various concepts in Psychology such as Learning, Personality, Motivation, Perception, Memory, Intelligence, Emotion, Attention and Research Methodology. This course aimed to build competence among the students to do excel in UGC-NET Paper 2 – Psychology by providing basic and important knowledge about the various concepts in Psychology.

Evaluation of course was based on the Examination (Multiple choice questions) conducted at the end of the course. The total marks allotted for the paper is 50. The duration of the examination shall be 1 hour. The minimum mark required for the successful completion of the course shall be 50%.

13 students from second year Psychology batch were attended the above mentioned course and all of them had 75% above attendance. The evaluation was held on 27th April and all of the secured good scores. Certification for participation were distributed.
