14th December 2019

CERTIFICATE

This is to certify that the dissertation entitled "Isolation and screening of acetic acid producing bacteria from decomposed fruits and vegetables" is an authentic record of original research work done by Ms. Amrutha, V., Amritha sivasadas., Kavya, P. P., Swathi, K. V. and Anupama students of BSc. Microbiology, Gurudev Arts & Science College, Mathil under my supervision and guidance at Amplicon Biolabs, KINFRA, Kakkanchery, from 15th November-14th December 2019, for the partial fulfillment of the requirement for the award of the Degree of Bachelor of Science in Microbiology. This dissertation in full or parts have not been submitted to any other institute or University for the award of any degree or diploma. Further it is certified that this dissertation represents an independent work done by the candidate under my supervision.

INDUSTRIAL VISIT REPORT

INDUSTRIAL VISIT REPORT DEPARTMENT OF MANAGEMENT STUDIES VISITED ON :20-03-2017

Industrial visit during the course of study play an important role as far as the management studies are concerned. The Department of management selected two companies which are of different types to visit as part of an industrial visit.

The first we selected was "Western India Plywood Limited" located at Valapattanam, Kannur district.

The second visit was the "Sulfex Mattress Company" Andoor in Kannur district.

Industrial visit provides an opportunity to understand and analyse the real working environment of an industry. It also helps the students to acquire skills in managing relationships carrying out in the jobs assignment. Our industrial visit provided an insight on for companies work and at on useful information related to our course of study which can't be visualizes in class lecture.
